Dear Sir,

The greatest happiness comes when one brings smiles in the faces of others. This is the fact and you have rightly proved yourself in bringing smiles by your rich experiences, intellectual fore-sightedness and impeccable scholarship to the students, teachers and staff of the University. Sir, with the deepest sense of gratitude and reverence, we the Mewar University fraternity fails to find appropriate expressions to pen down here your noble gestures coupled with a great sense of wisdom like that of a saint.

May the Almighty bestow upon you such values and virtues in promoting knowledge based guidance for the times to come! In a rare gesture of your generosity, in enriching the Mewar University Library, we, do here, acknowledge your benign concerns for the books (10) duly donated and written by you and your co-author. Sir, yet now you have donated 125 Research books to our university.

Thanking You Sir,

Yours sincerely,

(NARESH ARORA)
