Dear Friends

Its a matter a pleasure that Prof. [Sohan Raj Tater](#) contributed an amount of Rs. 50000/- for the development of Lokayata: Journal of Positive Philosophy and Milestone Education Review. He contributed in the field of Philosophy, Yoga and Applied Ethics. You can download all his literature from his website which is a valueable resource of philosophy teachers and students . There is a few senior scholars in India who made their work online for the greater benefits of the readers. We are thankful to Prof. Tater for being an active member of our CPPIS team. We hope that other senior scholars too motivate us and contribute in our work.
