Hon'ble Prof. (Dr.) Sohan Raj Tated,,

It fills our heart with pride and pleasure to extend our humble **invitation to be present as a DISTINGUISHED SPEAKER for WORLD PARALIAMENT OF SCIENCE, RELIGION AND PHILOSOPHY** during the period **2nd to 5th October 2018** at MIT ADTU Complex, Rajbaug, Pune, India.

Hon'ble Sir, we are glad to inform you that since its inception, MAEER's MIT World Peace University (www.mitwpu@edu.in), Pune, India is engaged in promoting the noble cause of establishing a culture of peace in the world through value based universal education system with an appropriate understanding of the role of scientific and spiritual component of life to develop a holistic peace-loving global society.

Keeping this idea in mind, we are organizing a World Parliament of Science, Religion and Philosophy on the very historic and auspicious occasion of the public dedication of ceremony of Philosopher Saint Shri Dnyaneshwara World Peace Prayer Hall and World Peace Library, a magnificent architectural marvel having the world's largest dome, which blends Science, Religion and Philosophy for the well-being of mankind.

We are glad to put it on record that MIT World Peace University, Pune, India firmly believes in the saying of the 13th Century Indian Philosopher Saint Shri Dnyaneshwara that, "the entire universe is a manifestation of pure consciousness." World Peace University further identifies itself with the assertion made by the visionary scientist of 20th Century Albert Einstein that, "I believe in God, who reveals himself in the orderly harmony of the universe and I further believe that intelligence is manifested throughout Mother Nature", which amply clarifies the very essence and philosophy behind Science, Religion / Spirituality and Philosophy.

This most revealing and beautiful monument is named after one of the greatest philosopher saints of the world, Saint Shree Dnyaneshwara, an embodiment of knowledge divine & peace, who in a short life span of only 21 years, defined the essence of harmonizing science with spirituality for world peace.

In the attached provisional agenda you would see that you are invited to speak in Plenary Sessions I on *“Need to promote the Gandhian Philosophy of Truth and Non-violence to establish a peace-loving holistic global society”*.

The Provisional Agenda with themes are attached for your kind attention. The agenda would get finalized based on your positive response.

Looking forward to your distinguished presence.

Yours Sincerely,

Prof. Dr. Vishwanath D. Karad
