Personality of the Year 2019

Wishing health, happiness and success in store for you, not because it's the proper thing to do, not because it's the usual thing to do, but I wish it so from my heart, and not only for a day or two, nor here and there, but over and over again till the new year when we renew this confidence of mutual understanding of good wishes.

Dear Sir or Madam:

Reguerdon Inc. is pleased to announce the selection process for award of **Personality of the Year 2019** in various categories. We extend our invitation to you as a possible candidate for the award in the category of your choice.

It enables the awardees to reach out to society and people/organisations that matter by leveraging on the immense marketing and PR value of the award winners, their families and other honoured guests.

We are sure you will be pleased to take part in this exercise as it will add recognition and value to your reputation and enhance your prestige as a personality of merit and standing.

Please confirm your acceptance of the same.
