RAJ PARIHAR STUDIO J-11210

Gyansagar Science Foundation was founded in the year 2012 with the blessings of Pujya Acharyashri 108 Gyansagarji Maharaj during his chaturmas at Bangalore (Karnataka). I was blessed by Pujya Acharyashri as Founder Member of this organization at that time and witnessed this holy event. 24th Tirthankara of Jain religion Lord Mahavira was absolute truth knower (Kevalgyani), Super Scientist and preached that Jain religion is absolute eco-friendly and absolute scientific also. Being inspired with this version of Lord Mahavira Pujya Acharyashri 108 Gyansagarji Maharaj gave broad vision to Gyansagar Science Foundation to prove scientificness of Jain religion blending different branches of Modern Science. Hence, Aims and Objectives of this Foundation is to explore Jain religion's scientificness by blending various branches of Modern Sciences Viz- Mathematics, Physics, Chemistry, Botany, Biology, Genetic Engineering, Medical Sciences, Psychology, Psychiatric, Yoga, Alternative Medicines and so on with Jain religion. Gyansagar Science Foundation has successfully organized 4 International Conferences with motto "Scientific Development and our responsibility" in which top class experienced scientists presented their research papers through PPT with a view to blend various branches of science with Jain Religion as preached by Lord Mahavira. Every year these articles are published in sovinier which is an unique work and hence proved as heritage of Jain religion as a whole. Foundation also honour every year one Jain Laurate who leads Jaina life style and having vast contribution of Jainism. This foundation can be titled as Jaina Scientists Meet.

Overall with the pious blessing and guidance of Pujya Acharyashri 108 Gyansagarji Maharaj this foundation is progressing day and night and proved most useful to humanity. I send my heartfelt good wishes as Founder Member for absolute success of 5th International conference being held in same manner as previous in holy presence of Pujyashri Gyansagarji Maharaj at Vehalanji Atishay Kshelra, Muzafarnagar (U.P.) with the motto to explore new possibilities of Jain religion as absolute Scientific.

Thanks, with personal warm regards,

Yours Truly,

(Prof. (Dr.) Sohan Raj Tater)
