Respected Dr. Suresh Kumar Agarwal Sir,
Namaskar,

I am very much grateful to you for nominating me Hony. Adviser of WYF. Sir, my 100 Ph.D. level Research books are already available in our Library of IBAM, for which I am regularly requesting to send thanks letters of all 11 Installments, but yet now I have not received even a single thanks letter. I have sent all 100 books on your name. It seems that your staff does not bring this thing in your knowledge. Please send thanks letter of all 100 research books sent by me to IBAM and use them for WYF Library.

Thanks, with personal warm regards,

Yours Sincerely,
