Respected Sir,

With the inspiration of my Guru prominent Jainacharya Mahapragya, I adopted Vanprastha Jain Sadhak life since last 15 years. Since then I devoted my life to Education stream with spiritual development. I have got 12 years teaching experience and many Ph.D. Scholars are pursuing Ph.D. under my guidance in Philosophy, Yoga and Education streams. I have made mission of my life-teaching and supervising Ph.D. scholars, writing Research books, writing Research articles and to publish them in reputed National/International research Journals, participation in National/International Research seminars. I am former Vice Chancellor Singhania University, Emeritus Professor in NAIU California(U.S.A.) Trinity World University (U.K.), JITU, Singhania and Jodhpur National University and served as honorary Adviser of Jain Vishva Bharati University, Ladnun (Raj.). I am Research supervisor and External Examiner in many Universities of India and Abroad. My 67 Research books in subjects Philosophy, Yoga and Education published and 20 are under publication. I participated in more than 70 National/International conferences and my more than 60 Research articles published in reputed National/International Journals.

I am glad to donate one set of Research books written by me and my co-authors to your University which is also very actively engaged in Research in the area of Philosophy, Yoga and Education. While donating these books I wish that the books are properly catalogued, shelved and made available to students and scholars for study. In no case the books must be sold or given free to any one. These must be kept in the Library (it could be the departmental Library) with a proper notification to all readers as to their availability. The books must be properly cared and preserved. Research scholars must be encouraged to study the books and explore the possibility of conducting research in the related areas. Any positive progress made in this direction my please be communicated to me.

As per our telephonic talk I am sending one set of Research books written by me and my co-authors to your kindness for use by the students, research scholars and readers of the University. Kindly set up a separate cell or section and arrange for cataloguing and processing of books as above. I hope that under your initiative the Research books shall benefit and serve the research interest of scholars and students of your University. You are requested to send a photograph of the "Research Book Cell" for my record. I also expect a feedback from you time to time on the use of the Research books so that I can send you my future publication of Research Books to update my "Research Book Cell."

Kindly acknowledge and inform me about the arrangements and progress made.

Yours faithfully,

  
(Prof. Dr. Sohan Raj Tater)
