I am Research supervisor and External Examiner in many Universities of India and Abroad. My 128 Research books in subjects Philosophy, Yoga, Education and History published and 20 are under publication. I am glad to donate one set of 10 Research books written by me and my co-authors to your University which is also very actively engaged in Research in the area of Philosophy, Yoga, History and Education. While donating these books I wish that the books are properly catalogued, shelved and made available to students and scholars for study. In no case the books must be sold or given free to any one. These must be kept in the Library (it could be the departmental Library) with a proper notification to all readers as to their availability. The books must be properly cared and preserved. Research scholars must be encouraged to study the books and explore the possibility of conducting research in the related areas. Any positive progress made in this direction my please be communicated to me.

As per our telephonic talk I am sending one set of 10 Research books written by me and my co-authors to your kindness for use by the students, research scholars and readers of the University. I hope that under your initiative the Research books shall benefit and serve the research interest of scholars and students of your University. You are requested to send a photograph of the "Research Book Cell" for my record. I also expect a feedback from you time to time on the use of the Research books so that I can send you my future publication of Research Books to update my "Research Book Cell."
