**5<sup>th</sup> WORLD PARLIAMENT OF  
SCIENCE, RELIGION AND PHILOSOPHY – 2019**

## **Objective**

To further advance dialogues between science, religion and philosophy by drawing diverse thinkers together to consider the possibilities of better mutual understanding across these different fields of knowledge and inquiry.

## **Main Theme and Subthemes**

The Main Theme of the World Parliament will be:

**“Role of Science, Religion and Philosophy for World Peace and Well-being of the mankind”.**

The World Parliament will be divided into subtheme sessions providing an opportunity to focus on specific areas from the speakers’ own perspectives and real life experiences.

## **Pune Declaration**

- The main conclusions of the World Parliament will be reflected and incorporated into the Declaration of Pune to be considered and adopted by the leaders and participants of the World Parliament.

## **Take Away from the Parliament**

- Stand on the common ground of universal moral principles, promoting reconciliation, overcoming barriers, and building pace
- Form a global network representing the diversity of the human family and all disciplines of human endeavour
- Promote cooperation beyond boundaries of religion, race, ethnicity and nationality
- To learn about diversity of religions, viewpoints, philosophies and how its union with science can bring peace to mankind
