Ref.: Chairman/Souv/2015-16/52

November 17, 2015

To,
Prof. Dr. Sohan Raj Tater

Sub: Request for article for our Souvenir.

Respected Sir,

Bhagawan Mahavira International Research Centre is organising an International Conference on Science and Jain Philosophy (ICSJP) in collaboration with Indian Institute of Technology Bombay and University of Mumbai during January 8-10, 2016 at IIT Powai, in Mumbai.

We plan to develop and publish a souvenir book carrying scholarly articles to be distributed to the distinguished, intellectual attendees of the Conference. It will be a selective, rare collection of memorabilia carrying abundant wealth of information related to Jainism and Modern Science. The theme of the articles to be included in the journal will be consistent with the overall theme of the Conference: "AVENUES OF SCIENTIFIC RESEARCH IN JAIN PHILOSOPHY".

You are invited to write an article of approximately 1000 words in English, pertaining to the above theme, for the souvenir. You are free to choose any one of the following topics, or a topic of your choice, relevant to Jainism and Science:

1. Promoting scientific research in Jainism for a sustainable future
2. Impact of revealing the underlying science inherent in Jain Philosophy
3. Relevance of Jain ethics in promoting Peace
4. Opening new frontiers in Science through Jain Philosophy
5. Scope of further research in Jainism

We look forward to your active participation.

Please note, that the Souvenir committee may need to edit the articles for them to comply with the overall theme and format of the Journal.

You are requested to respond with your decision on whether or not you wish to submit an article by November 19, 2015. The deadline for submitting articles is December 8, 2015 by 11:59 pm. Please e-mail your article to shahraksha99@hotmail.com. Your early submission will be highly appreciated.

Should you have any queries or comments, you may contact us on +91 981 910 2060.

Best regards,

Dr. Raksha J. Shah
Editor, ICSJP
