Dear Sohan Raj Tater,

We heartily Welcome you to the Asian Philosophy Conference and Indian Philosophical Congress scheduled to be organised at HSRC during the 3rd to 7th January 2018.

On behalf of APC, we thank you for your interest in participating and presenting a paper in APC plenaries. There is a tremendous response from various parts of the world for our call for Papers and we have received about 100 Papers.

We are sorry to inform you that though your paper was a competitive one, due to lack of sufficient time and space in the APC program we are not in a position to accommodate it for presentation in the APC. Its abstract however has already gone to press in the book 'Abstracts Received for Asian Philosophy Conference - 2018', which we are going to publish and make available during the incoming APC.

Under the circumstances, we suggest you to consider the following options:

A. You may be given a slot to present your paper in one of the parallel sessions of the Indian Philosophical Congress, if you wish to, on your request.

B. You may get your Article published in HSRC Research Journal 'Holistic Vision' in near future, if you wish to, after HSRC following the editorial procedure.

C. You may consider both the options as well.

We shall be grateful to have your response by tomorrow regarding the option A/B/C chosen by you.

Dr. Yashodhara Kar
