Dear Prof. Sahan Rajji Tater,

Thank you very much for your letter dated 23-05-2011 alongwith 10 complimentary books for the Library which will be included in the Library of L. D. Institute of Indology, Ahmedabad. A separate list of books received from you is attached herewith for your information.

With reference to your suggestions of keeping research books separately; kindly note that normally, we display the important and newly published books in showcases of the Library for maximum use of the same. As our whole library is only for research and we collect books only for research purposes thus there is no question of keeping any book separately.

I congratulate you for your dedication for the knowledge as well as your wonderful efforts for the bliss of society.

With best regards,

(Dr. Jitendra B. Shah)

Director
